

FIREARMS REGISTRATION REQUIREMENTS

Due to Federal and State regulations, firearms distribution is for qualified guests only. At the time of banquet registration the guest must be able to pass an FBI **National Instant Criminal Background Check System (NICS)**, without reservation. Please check below if you possess a CPL as this will aid in processing of your NICS check.

Concealed Pistol License

Our FFL dealer will conduct an FBI NICS background check to qualify you for the firearm. You must furnish your Social Security Number for this check. In the unlikely event that you do not pass this check the first time it is run, you will be given a \$100 check in lieu of the firearm.

Registration for the firearms will be done at Whitlows Forerunner Restaurant during the banquet. Should there be a breakdown of communication with the NICS system you will be called to schedule your registration at a time that is convenient for you and the FFL dealer. If all goes well, you will be able to take your firearm(s) with you after all documents have been signed.

ALSO:

Your meal ticket and raffle tickets will be distributed at the Registration Desk the evening of the banquet (February 16, 2023)
