

## An Introduction to Sportsmen for Youth

As we all know, kids are our greatest and most important resource. While most of them may be able to program an entire computer faster than we could read this note — so many more have never had the opportunity to experience much of what the great outdoors has to offer. It is for this reason, Sportsmen for Youth, a 501 (c)3, nonprofit organization, composed of multiple sporting organizations, is pleased to present Sportsmen for Youth's Youth Day.

Each year our member organizations and many volunteers team together to create a one-day outdoor extravaganza where kids of all ages can experience the outdoors and its many opportunities. This **ABSOLUTELY FREE** day provides activities, demonstrations, and information from each of our exhibitors. Prize drawings, lunch and a memento from the day are also provided for all youth (17 years & younger) in attendance. In previous years over 2500 youth and 2000 adults in **ONE DAY** between 9am and 3pm, have enjoyed this event.

## Need for Support

Our annual fundraising banquet is our number one source of funds which enables us to be able to provide Youth Day to the kids in our community at no cost to them. Donations of all shapes and sizes are greatly appreciated and greatly help offset the costs of putting on our banquet. As a 501c3 your donations are tax-deductible and you will be able to see the direct impact of your donation in our community. Our tax-exempt number is 38-3289258.

With our sincerest thanks for your support,
